

# Calumet Lutheran Ministries

## Family & Adult

Beginning July 1. There is so much to do for families and adults in the summer - or you can just relax in a beach chair by the lake. Our program staff provides supervised activities for kids as well as plenty of programs for adults and families. Enjoy our Saturday night music concert series in the Conference Center.

## Family Camp Plus

August 21-28. All of Calumet's facilities are open for your family's best vacation ever! Evening programs are fun, morning devotions inspirational, and of course there's plenty of time to relax by the lake.

## LutherHostel ~ for adults over 50

Theme: *"Let There Be Light: The Origins of Life and the Universe"*  
Presenters: The Rev. Anne Deneen, Pastor at St. Paul Lutheran Church, Gloucester, MA and Dr. Kevin Luhman, Professor of Astronomy & Astrophysics at Pennsylvania State University

Discussions include: how our faith is shaped by new understandings and discoveries; how our ideas of God get larger or redefined in light of these theories. Activities for this summer LutherHostel include gentle YOGA, Pontoon Boat Rides, swimming & boating on Calumet's lovely Ossipee Lake waterfront, short walks, and a fun-filled guided field bus trip in New Hampshire or nearby Maine.
