IMPORTANT INFORMATION REGARDING MEDICATIONS TO BE TAKEN AT CAMP.....

1. Any medication that your Medical Provider requires to be administered at camp must be in its original pharmacy container labeled with the name of the person, name of the medication, dosage, and frequency of administration. Please send only the correct amount of medication. Your physician’s written authorization to administer medications *both prescribed and over-the-counter* meds not on the OTC list must appear on the health form.

The exceptions are: off-camp trips when Calumet staff give the medications under the direction of the nurse; asthma inhalers and epi-pens with the written authorization from your Health Care Provider for self-administration –on page six of this form. **Campers will not be allowed to carry an inhaler or epi-pen without this form.**
3. **Do not send non-prescription medications** (this includes vitamins, Tylenol, cold remedies, etc.). Our Health Center is well stocked with first aid and other medications for any conditions that might arise.
